Dear City Managers,

I oppose the change in boundaries for District 1 into District 3. We must keep the tenants and rentals in District 1. Bob Joe originally had that district for years and then the change shifted representation to Evelyn Zneimer. Renters have their own issues and Evelyn has shown herself to be an advocate and mouthpiece for this group of citizens.

Speaking with them they seem to hold her in great esteem and this constituency will be very angry to have a 3rd representative who doesn't live in their area and will have to learn all over again about the needs of renters. Shifting of these boundaries will be harder on the citizens there and on the new councilperson as well.

Please leave District 1 alone.

Thank you,

Sherry Plotkin
